

Abhean

< [Abhean](#)

Abhean was a [planet](#) in the [Abhean system](#). Located on the [Perlemian Trade Route](#), several orbital [shipyards](#) were construced above the planet, amongst which the *[Chu'unthor](#)*, a [Jedi](#) training vessel, was built in [500 BBY](#). The shipyards on Abhean were picked because they were the only shipyards big enough to hold the ship.
